General Class Information

- An **attendance award** will be given to the junior class that has the highest percentage attendance each week.
- School starts at **8:55 am**. Any children coming into school after 9:00 am will be given a late mark.
- Children are encouraged to bring a **water bottle** (sports cap) into school.
- Appointments can be made to see your child's class teacher straight after school (except Wednesday due to staff meetings.) This is a more convenient time for teachers rather than in the morning when the children are coming into school.
- Dinner money is collected on a Monday morning. It would be helpful if this was in an envelope labelled with your child's name. We would encourage children to stay on either a packed lunch or school meal for half a term if possible.
- Thank you for maintaining the high standards in school uniform, all the children look very smart.

- Every child will have a home reading book and a library book. Throughout the year, children will be encouraged to read across a range of genres as well as reading for enjoyment.
- They will be expected to read at least 20 pages per week or more if they wish, at least **3 times** per week.
- This will be monitored by every Friday morning. The children can independently change their book when needed.
- It would be helpful if your child read some of their book aloud to an adult and answered questions about the book to ensure full understanding however there may be times when children want to read independently.
- Please sign and date your child's reading log (school diary) when they have read, **three times per week**. Letters will be sent home if it's noted that home reading has slipped.

SPELLING

If your child has an inhaler and you have not filled out a form in the office this term, please do so for our new records.
