

Snow and Bad Weather Guidance

At Holy Rosary we try our best to keep the school open even when there is snow or bad weather.

We will update the school website with the most up-to-date information regarding snow/bad weather. New information will be posted on the scrolling bar at the bottom of the home page.

Therefore, in the event of bad weather we would advise parents to do the following:

- Check the home page of the school website
- Check ParentMail
- Listen to the local Radio Stations
