Children may only wear football kits for football practice and for winter games on the field if advised by the class teacher. Children are allowed to wear track suits for outdoor PE in winter. No child should ever be wearing football boots in the building. All children should have a PE kit and pumps for PE and games. All items of uniform (including PE uniform) should be clearly labeled with the child's name. **Hair styles must conform to a reasonable standard throughout the school and hair accessories should be “discrete” and in school colours only.**
